

Badge Order Form

Every member is given a free white button badge. In addition, an official Reading-Berks Guild of Craftsmen badge is available. This is a professional looking badge with a tan background and burgundy logo, text and name block. The "YOUR NAME" field will be engraved into the white plastic. The badge will be over laminated to prevent scratches. The back of the badge is a combination pin and bulldog clip.

The cost of the badge is \$6.00 each. We need a minimum order for badges but try to place an order about 1 month before each of our Festivals.

Please return the badge order form and payment to June Moyer, membership chairperson or mail to the address below.
